FREE TRIAL OFFER FORM

TERMS AND CONDITIONS

After you submit this form, we will ship a brand new Play Table or Play Panel to you without any cost or obligation. We request that you set it up right away and remove other playthings for the purpose of safety and to experience how our Play Tables and Play Panels are designed to replace toys in public settings. Keep the shipping box, and store the loose toys in it away from the play area. Let the children who come into your place of business give it a vigorous workout! These commercial-grade tables are designed for public settings and can withstand the roughest handling. *And note that you are not responsible for any damage done to the table.* After 3 weeks, we will contact you. If at this time you decide that the Play Table is not doing its job of safely and quietly engaging children while they wait, simply place it back in the box and we will issue a return call tag to have it picked up at no shipping cost to you. If you decide to keep it, you can submit a company purchase order, pay with a credit card, or arrange for us to send you an invoice. **Please note:** We have a limited number of trial units that we can offer at any one time. We will contact you to let you know how soon we can get one to you once we receive your request.

- We do not recommend toys in public settings for several reasons. Many toys and games have removable parts that pose a choking hazard for children under the age of three. Toys in public settings quickly become health hazards when handled and mouthed by many children. Both children and adults alike can trip over stray toys and fall. It takes time, energy and money to wash and sanitize toys, to check for broken parts or unsafe parts, and to replace worn out or dangerous items.

Please fax the completed form to: 425-944-8706
